CLARIFICATION OF LEAGUE

*Anderson County Parks and Recreation Department, ACRD, will run its recreation program as usual, if participation allows. (Participation to field at least 2 teams per grade group)

*If participation per grade group will not allow teams to play against each other, in the ACRD program, but enough to field one team, the ACRD team will play the school system team. (Participation to field 1 team per grade group)

*If participation per grade group is not enough to field a team, those participants will be playing in the school program. (Participation not enough to field 1 team)
