Procedures & Regulations

All electrical work shall be inspected to ensure proper code compliance prior to concealment. It shall be the responsibility of the Electrical Contractor or Homeowner (if completing work per homeowner's affidavit) to remove any work concealed.

Fee Schedule

Residential Inspection Fees:

\$75.00 per trip (per meter service)

Includes: Single Family Dwelling, Multi - Family Dwelling and Duplex. (Will be charged per meter service).

Commercial/Industrial Inspection Fees:

\$0.00 to \$15,999.00	\$400.00
\$16,000.00 to \$399,999.00	2.5%
\$400,000.00 and above	2.0%

Must include labor, and material cost, regardless if furnished by contractor or owner. Contractor must provide a copy of the electrical contract.

Payment is due at such time an electrical inspection is completed.

HOMEOWNER'S AFFIDAVIT & CERTIFICATION FOR ELECTRICAL INSPECTIONS

Electrical Permit # _____

Date: _____

Building Permit # _____

Project Location: _____

City: _____ State: _____ Zip _____

Homeowner: _____

Address _____
(If different from project address)

City: _____ State: _____

Zip: _____ Phone: _____

I _____ do hereby certify that I am the owner of the
(Print Name)

property at the location described above. I further certify that the property is a single family residence in which I now live or will live. I certify that all electrical work under this permit will be completed by me alone. I also acknowledge that by signing this affidavit, I agree that all liabilities and responsibilities are mine alone.

In the event that I do receive any help, that person (or persons) will be licensed by the State of Kentucky, and the appropriate license numbers will be provided to the Electrical Inspector and Anderson County Zoning Administration. In such a case, it is understood that if proper information is not provided, the work will not be inspected, and connection to the utility company will not be permitted until a licensed electrical contractor with proper documentation accepts responsibility for such work.
